

LIVONIA CIVIC CHORUS FALL 2022 MASK POLICY

The Livonia Civic Chorus expects that all participants will wear masks while singing for indoor rehearsals and concerts until the CDC (Centers for Disease Control) and/or Wayne County amends these guidelines.

However, the proof of a negative COVID test is required on the day of the indoor rehearsal/concert for any LCC member who wants to opt out of the mask expectation above. Participants are responsible for providing their own test kits. Tests will be completed at the rehearsal/concert venue prior to admittance without a mask as a result of a negative test.
